Barbadian graduates at Durham University

Dr. Nigel Barker, 2009 MBA Graduate,
Ophthalmologist/ Director

"I got tired knowing nothing else but medicine...tried a distance learning programme but did not get past the first course. On completion of the Durham MBA programme I obtained a distinction and received a number of prizes...I think that this transformation speaks volumes about the overall quality of the programme...I would highly recommend it."

THE DURHAM MBA

WHY DURHAM?

- Durham Business School is one of an elite group of business schools to hold the triple accreditation of AACSB (the USA's Association to Advance Collegiate Schools Business), Equis (European Quality Improvement System) and AMBA (Association of MBAs).
- An internationally acclaimed university; the Third oldest university in England with long-standing links to Barbados.
- In a recently published guide to UK universities Durham was ranked 5th in the UK after Oxford, Cambridge, Imperial College London and the London School of Economics. Of these five, only Oxford, Cambridge and Durham are considered "full subject" universities.
